Series repairs for Yaskawa XtraDrive

Today we would like to introduce you to our portfolio of the Yaskawa XtraDrive series and what experiences we have already had.

- Already over 300 successfully completed serial repair orders for machine manufacturers.
- Due to our experience, we are able to determine many causes of failure at component level and apply suitable solutions.
- We have the possibility to perform a full test with original Yaskawa software and control technology.
- If required, also load tests on the motor test bench.
- Access to a large spare parts stock, also for housing parts.
